

New English Language Arts Rubrics

The 2013 Grade 3 Common Core English Language Arts Test will be scored using new rubrics. Both the English Language Arts 2-point and 4-point Rubrics have changed to reflect the new demands called for by the CCLS.

Short-Response (2-Point) Holistic Rubric

Short-response questions will ask students to make a claim, take a position, or draw a conclusion, and then support it with details. This structure forms the foundation of the CCLS. As such, the 2-point rubric focuses on both the inference and evidence a student provides. This structure allows students to have wide latitude in responding to each prompt so long as their response is supported by the text.

Additionally, the expectation for all short responses will be complete, coherent sentences. By weaving these elements together the questions, responses, and scores remain firmly focused on student reading ability.
